This camp gives kids a great opportunity to learn, and practice chess in a friendly non-competitive atmosphere. The program is well balanced and will include various sports activities.

Daily Activities:

Casual chess games

Chess lessons

Sports/Rec.

Puzzles/Strategic games

Lunch/snack breaks

Campers will also receive a whole year of Chesskid.com gold membership, and have daily access to the computer lab to learn how to use their accounts.

All chess and sports related equipment will be provided. Campers will also get T-shirts and other prizes.

Campers will be taught critical thinking skills through chess puzzle worksheets as well as being introduced to chess notation (younger kids will not be required to notate).
